Missions: At Simcoside we have a heart for both local and global missions. We support six local outreach programs within our community in Orillia through finances, prayer and service. On a global scale, we support two families through different organizations and connections. One of those families is located in the Middle East, the other in Africa. You can follow the Cymbaluk's journey in Africa through their newsletters or their blog at <http://www.cymbaluk.com>

Discovering Truth: Join us for our radio show called Discovering Truth every Sunday at 8:30am on Life 100.3. We have the privilege of partnering with Life and broadcasting our messages each week. This half hour show will help us continue to expand the amazing work that God is doing at Simcoside.
