

Missions: At Simcoside we have a heart for both local and global missions. We support a number of local outreach programs in the Orillia area through finances, prayer and service. On a global scale, we support three families through different organizations and connections. One of those families is located in the Middle East, another in Africa and one in Israel. You can follow the Cymbaluk's journey in Africa through their newsletters or their blog at <http://www.cymbaluk.com> .

Please remember Matthew, Josie and children in your prayers as they begin their mission work in Israel.
